“Be the change that you want to see in the world.”

Summary

Django Instructor at **Hamrueyesh.com** company. Former Python and Django developer intern at **Javaneh Code Academy** start-up company based in the Netherlands. With about 3 years of experience specializing in back-end development, I am deeply passionate about coding and thrive on challenging myself to reach new heights. With a fervent commitment to collaboration, I embrace challenges as opportunities for growth, constantly seeking to refine my skills.

Work Experience

Hamrueyesh Company
